Policies and Procedures/General Information

Activities
Summer Camps at Carrollton are typically divided into activity periods. Campers are escorted to each activity by their camp counselor based on a rotational schedule. Counselors will stay with their assigned group for the entire day and rotate to each activity grouped by age. A copy of the schedule will be provided prior to the start of camp.

Attendance
Attendance is important at camp. Please be sure to call 305-446-5673, extension 2340 or email the camp office at cmarroquin@carrollton.org if your child will be absent. There will be no credit given or rescheduling for absences.

Behavior
When a camper does not observe the expected guidelines, the Summer Camp staff will discuss an appropriate plan of action that may include any or all of the following steps:

- Verbal warning from Counselors
If behavior continues, parents are notified of the situation and problem solving ideas are discussed.

It is important that you discuss the following with your children:

- Respecting Carrollton Summer staff, equipment, facility, and rules
- Respecting other campers and themselves
- Keep hands, feet, and other body parts to yourself
- Stay with your group or instructor at all times
- Cooperate during games, free time, crafts, etc.
- Follow directions
- Using appropriate language

Disruptive/defiant behavior will be appropriately disciplined. Constant behavior problems may result in removal of camp activities and/or parents being called to pick up child.

Camp Ratios and Groupings
Camper to staff ratios for PK3 through 3rd CampCarrollton are approximately (15:1). Our goal is to provide a quality program for all children. If your child requires special circumstances, please contact the Camp Director to discuss your child’s needs, helping us to foster the best possible experience for your child. Grouping is done at the discretion of the counselors and directors. Grouping is done predominantly by age.
