Summer Scholars 2019

Grades 6-12 • For Carrollton Students

The goal of Carrollton Summer Scholars is to offer an educational summer program that provides an exciting opportunity for students to explore their academic passions. Students can select from a wide array of courses in the sciences, arts, humanities, or the social sciences.

Please review this brochure for course offerings. For more information, please contact the Program Director, Denise Perdomo del Valle at 305-446-5673 or email ddelvalle@carrollton.org. Register online at carrollton.org.

ARTS

Summer Ceramics | Michael Gray, Carrollton Visual Arts Instructor HS and IB Art

The summer ceramics course is a fun introduction to working with clay where the student will learn how to use the pottery wheel and the different techniques of hand building. The students will also learn the basic tools needed for modeling, carving, and creating texture. This two week course will immerse students in an open studio setting where they will be working on two or more projects at a time. By the end of the course, the student will have a firm understanding of the basics of ceramics, and will have some new pots, cups and bowls to take home with them to use and enjoy.

June 10 - June 14 • 8:30 am - 11:30 am • $225.00

Prerequisite: Enrolled in Grades 9 - 12

Summer Drawing | Guido Mena, Carrollton Visual Arts Instructor HS and IB Art

The summer drawing course is a fun and exciting class where the student will explore a range of media and learn the drawing skills needed to become a better artist. This course will be held in an open studio setting where the student can develop their drawing abilities no matter what age or skill level. The student will develop new ways to approach their work including drawing from observation, experimenting with different methods of creating value, and working with proportion to achieve a higher accuracy.

June 10 - June 14 • 12:30 pm - 3:30 pm • $225.00

Prerequisite: Enrolled in Grades 6 - 12

College Application Essay Writing Workshop | Ms. Mary Ann Baker, Carrollton IB English Teacher, Creative Writing Instructor and La Muse Advisor

This workshop designed to help you complete a personal statement for the Common Application that informs, persuades and engages the reader. Time permitting the class will address revising the CA essay to fit the Coalition Application.

- The Common App Essay will center on the Common Application essay prompts for 2018-2019
- Students applying to colleges that use their own applications may also bring those topics and will receive guidance on addressing the prompt. Each student will complete one essay during the class, learning from and inspiring the others.
- Focus will be on Topic Selection, Writing, Revision, Polish and Finalize, and Adapt.

August 5 - August 9 • 12:30 pm - 3:30 pm • $225.00

Prerequisite: Enrolled in Grade 12
**SAT Prep**

Students will use Khan Academy’s SAT Program coupled with the assistance of an instructional coach. This format will allow students to work at their own pace while on and off campus, and also be more strategic with the allocation of their time and effort. The workshop requires a laptop.

July 29 - August 9 • 8:30 am - 11:30 am • $450.00

Prerequisite: Enrolled in Grades 11-12

---

**ENGLISH**

**IB Extended Essay Workshop** | Ms. Lyana Azan, Carrollton Honors British Literature & IB Literature II HL Teacher and English Department Chair

The goal of this one-week program is to provide students with structured time to engage in an effective research process with the assistance of a mentor. While there will be some instructional time, the majority of the week will be spent reading, researching, outlining and drafting. Each student will receive one-to-one mentoring on refining her research question, determining the best paths to research, creating her outline, and composing an effective argument with the intent of culminating in a rough draft. All guidance will be aligned with the IB Extended Essay Guidelines. Laptop is required.

Two sessions available, choose one.

July 22 - July 26 • 8:30 am - 11:30 am • $225.00
August 5 - August 9 • 8:30 - 11:30 am • $225.00

Prerequisite: Enrolled in Grade 12

**High School English 101** | Ms. Lyana Azan, Carrollton Honors British Literature & IB Literature II HL Teacher and English Department Chair

High School English 101 Does the thought of writing a paper make you nervous? Are your reading and writing skills a little rusty? Then this is the course for you. Tailored for incoming freshman, this course presents the techniques and strategies useful in reading, writing, listening, speaking, and literary analysis. It will focus on the development of critical reading and writing skills. Students will review how to read texts closely, how to annotate and take notes on what they read, and how to formulate a robust thesis or claim for every essay they write. We will discuss the key methods of development, including argument, analysis, example, narration, and description. Coaching in study skills, organization, persistent grammar issues, and time management will be integrated into the course.

July 22 - July 26 • 12:30 pm - 3:30 pm • $225.00

Prerequisite: Enrolled in Grade 9
6th Grade Language Arts Jumpstart | Ms. Silvia Barrenechea, Carrollton Teacher

At the Intermediate School, we use an inquiry-based approach to learning which leads students to become independent readers and thinkers. Incoming 6th graders can get a head start and work on key skills through careful reading, attentive listening, thoughtful speaking, and purposeful writing. The 6th grade language arts summer program provides an opportunity for students entering Grade 6 to gain confidence and learn strategies that will strengthen skills beneficial for Language Arts next year.

August 5 - August 9 • 8:30 am - 11:30 am • $225.00
Prerequisite: Enrolled in Grade 6

LANGUAGES

High School Spanish 101 Jumpstart | Ms. Gina Carioni, Carrollton IB Bilingual Program Teacher and World Languages Department Chair

The Spanish department at HS will offer a jump-start course for those 9th graders students who are new to the school and to the Spanish language, and to those Carrollton students that have not yet had previous Spanish instruction. Students will review how to conjugate verbs, focus on the development of critical reading and writing skills, and oral expression. Coaching in study skills, organization, and time management will be integrated into the course.

August 5 - August 9 • 8:30 am - 11:30 am • $225.00
Prerequisite: Enrolled in Grades 9-12

6th Grade Spanish I | Ms. Beatriz Bustillo, Carrollton Intermediate Spanish Teacher

This course is geared for new incoming 6th grade students who may benefit from a thorough review of basic Spanish grammar concepts. It is also opened for existing Carrollton students who are switching from Mandarin and they have never been exposed to formal learning of the Spanish language. The review will include:

- Articles (definite & indefinite)
- Formation of Plural Nouns
- Subject Pronouns
- Adjective Agreement
- The verb SER
- ONGOING Oral Expression
- The present tense conjugation of regular AR, ER and IR verbs

August 5 - August 9 • 8:30 am - 11:30 am • $225.00
Prerequisite: Enrolled in Grade 6
**High School French 101 Jumpstart** | Ms. Marie France Bernard, Carrollton High School IB and AP French Teacher

The French department at HS will offer a jump-start course for those 9th graders students who are new to the school and to the French language, and to those Carrollton students that have not yet have previous French instruction or want to have some grammar/conjugation class prior the beginning of the school year. Students will review how to conjugate verbs, focus on the development of critical reading and writing skills, and oral expression. Coaching in study skills, organization, and time management will be integrated into the course.

**August 5 - August 9 • 8:30 am - 11:30 am • $225.00**

*Prerequisite: Enrolled in Grade 9 or Grade 10*

---

**MATH**

**6th Grade Math Jumpstart** | Ms. Christina Diaz, Carrollton 5th Grade Math Teacher

Jumpstart in an opportunity for rising 6th grade students to come to the Carrollton campus early, learn new skills and get a “jumpstart” in meeting faculty and making new friends. This one week program will focus on Math. Math Jumpstart course will review skills (if needed) and previews key topics in 6th grade Math to boost skills and confidence.

**August 5 - August 9 • 12:30 pm - 3:30 pm • $225.00**

*Prerequisite: Enrolled in Grade 6*

---

**7th Grade Algebra Jumpstart** | Ms. Christina Diaz, Carrollton 5th Grade Math Teacher

This one week program will review all the necessary concepts, skills and problem solving opportunities with the desired result to navigate through our Pre-Algebra and Algebra I program in the 7th grade. Students will be grouped according to 7th grade math placement. The review will include the following topics:

- Operations with decimals
- Operations with Integers
- Proportions
- Graphing
- Operations with fractions
- Fractions, decimals and percents
- One and Two-Step equations

**August 5 - August 9 • 8:30 am - 11:30 am • $225.00**

*Prerequisite: Enrolled in Grade 7*
9th Grade Algebra I Review | Ms. Marla Hernandez, Carrollton High School Math Teacher

Interested in developing your math skills? Enjoy challenging yourself? Want to ensure a mastery of Algebra I? Then, this offering is for you. Mastery of Algebra I is essential for a successful High School math career and the ability to perform well on standardized tests such as the PSAT and the ACT. The review will include the following.

- Exponents
- Foiling
- Factoring
- Slope
- Rational Expressions
- Systems of Equations
- Radicals
- Solving Linear and Quadratic Equations

August 5 - August 9 • 12:30 pm - 3:30 pm • $225.00

Prerequisite: Completed Grade 8 Algebra I and recommended to Grade 9 Geometry or Honors Geometry

SCIENCE

A Close-Up Look at the Microbes Around Us | Dr. Michelle Larrea, Carrollton High School Chemistry Teacher

An interactive hands-on approach to studying microbiology and microbes in our soil. Students will learn about the science of microbes, and have an opportunity to gain first hand experience in microbiology laboratory techniques. Through this immersive lab-based learning project, students will initially isolate a variety of microorganisms from soil, and then spend the week characterizing and identifying their discoveries.

August 5 - August 9 • 8:30 am - 11:30 am • $225.00

Pre-requisite: Enrolled in Grades 9-12
POLICIES AND PROCEDURES/GENERAL INFORMATION

Attendance
Attendance is important in our Scholars Program. Please be sure to call 305-446-5673, extension 2340 or email the Summer Programs office at cmarroquin@carrollton.org if your child will be absent. There will be no credit given or rescheduling for absences.

Registration
Scholars Program registration opens on April 1, 2019. Class size is limited, please register early. All registration forms and fees must be completed online. We will not accept walk-ins or mailed forms. Online registrations will be processed in the order they were received. Registration confirmation will be sent via email upon receipt of registration and full payment. Registrations may be cancelled via email (cmarroquin@carrollton.org) up to one week before the start of the session. A $75 cancellation fee will be deducted from your total refund. Your refund will be processed as a check and sent to the address on file. Registration Deadlines: Registration closes 3 business days before a session begins. There are no refunds for absences. Sessions cannot be pro-rated. Courses may be cancelled by the Summer Camp Director if minimum enrollment is not met.

Summer Camp Health and Emergency Form
All students must have a Carrollton Health and Emergency Form filled out prior to the first day of camp. Students will not be accepted into the Scholars Program without this important information. In addition to this form, every student registered for the program must have their immunization forms (DH680) and (DH3040) from the Florida Health Department on file with the school nurse.

Welcome Packets
Our Welcome packets for our Scholars Program will be sent via email one week prior to the beginning of course, once your registration is processed. This packet will include additional information for you regarding course requirements, logistics, drop off and pick up area, where the course will meet, etc.

Questions regarding Carrollton’s Summer Program should be addressed to Denise Perdomo del Valle, Director of Summer Programs. For more information, call 305-446-5673 ext. 2340 or email cmarroquin@carrollton.org.
