Dear Parents,

In light of the Governor DeSantis’ recommendation, the recent decisions by the Archdiocese of Miami Schools and the Miami-Dade County Public Schools, and in consultation with our peer schools, I write to announce that Carrollton students and faculty will continue with our remote learning program through the end of this academic year. Details about end of year programming will follow from your daughter’s school heads as they are finalized.

Our teachers and administrators continue to work hard to ensure that strong and engaged learning takes place in this remote environment. Your feedback, understanding, and support are greatly appreciated.

Please know that all of your families are in my prayers during this challenging time.

Stay safe, stay well, stay kind
Olen

Our loving-kindness with ourselves is the source of our loving-kindness to others. When we develop this consciousness within our self and toward our self, then we can offer genuine, Christ-like love, tolerance and compassion to others. This is the true work (and reward) of our life.
